विषय	ESI स्कीम के अंतर्गत पंजीकृत कर्मचारियों व उनके परिवार के सदस्यों की आधार सीडिंग को करने में सहयोग हेतु प्रार्थना ।
Sub	Request for cooperation in AADHAR seeding of employees and their family members registered under ESI Scheme.

महोदया/महोदय,

कृपया उक्त विषय पर आपसे वांछित सहयोग हेतु अधोहस्ताक्षरी निम्न वस्तुस्थिति आपके विचारार्थ प्रस्तुत करने का अभिलाषी है : -

The ESIC is striving to bring its services to the palmtop/doorstep of beneficiaries. ESIC is doing the exercise of seeding its beneficiary account number with AADHAR. The exercise is aimed (i) to make the demographic details of an employee stored in database fulfilling basic part of KYC; (ii) easier identification/validation of the beneficiaries at the point of delivery of services; (iii) de-duplication of database; (iv) prevent duplicate registration; (v) interoperability of health records under Ayushman Bharat Digital Mission (ABDM) along with home delivery of medicines/collection of samples from home.

Multiple options for Aadhaar seeding are available as simple, convenient and self-sustainable the processes. Along with seeking assistance of nearest ESIC, options are available with the stakeholders to do it on their own in following ways: -

- Online Self-seeding by IP/dependents through ESIC-IP Portal.
- **Through employer of IPs – as recent upgradation, the employers can also do bulk Aadhar seeding through employer portal. User manual is available** under <http://esic.gov.in/attachments/circularfile/8155926bd2e5e25a6e7865fb046ca77b.pdf> **for assistance (document console No. 17821/2024 under link <http://esic.gov.in/circulars>).**
- Through Face-recognition after installing ESIC Mobile Application “AAA+” and UIDAI App “AadharFaceRD”. AAA+ application also enables OTP based verification. The usual response time of the application for aadhar seeding is less than 30 seconds per person.

ESIC teams are being deployed in phased manner to assist the employers at their doorsteps. Teams of ESIC would be happy to bring awareness about the benefits of the scheme and serve the beneficiaries for aadhaar seeding as per time/schedule convenient to the administration as well. The undersigned or Shri Om Prakash may be contacted over phone number 9694068197 for remote assistance. It is humbly requested to direct the contractors to use the facility and complete the aadhaar seeding of the beneficiaries of the ESI Scheme.

The teams deployed by this office shall adhere to the procedural norms laid down by the authorities concerned and be allowed to enter the employer premises after verification of their identity. सविनय निवेदन है कि मामले पर संबंधित अधिकारियों को यथोचित निर्देश दिए जाएं और यदि इस संबंध में किसी अन्य जानकारी की आवश्यकता है तो अधोहस्ताक्षरी से संपर्क करने की कृपा करें ।

भवदीय,
